

Privacy Policy for mobile application ForexTeam

SIA "Eurofactor" created this document to provide you with information about the confidentiality of processing your data relating to the mobile application ForexTeam

1. Information that we can collect from your mobile device

This section describes the types of data stored on the mobile device, that you can provide us or to which we can access in automatic mode anonymously (without reference to the user):

Information about mobile device: the type of mobile device you are using and the version of mobile operating system, the version and identifier of this mobile application.

GEO position: this application does not collect information about GEO position.

Unique device identifiers: our mobile application does not request a unique identification number of your mobile device.

User's phone number: our application does not request the user's phone number. If desired, the user can specify his mobile phone number after registration in the application, adding this information in the Profile.

2. Security

Our company is the sole owner of the information collected by this mobile application. We use a wide range of security features to ensure the safety of your personal data. Servers and computers on which confidential information is stored are in a safe data center environment. Data exchange in this mobile application is encrypted using SSL / TLS secure connection protocol (https).

All data about the use of this mobile application, transmitted in accordance with this license, shall be retained and processed in accordance with the legislation of the Republic of Latvia.

3. Information disclosure to third parties

We do not sell, exchange or transfer personal data to third companies or third parties. This does not apply to reliable companies that help us in the operation of the web site, servers etc. and conduct business, provided that they agree to maintain the confidentiality of information.

Non-confidential information can be provided to other companies for marketing, advertising, etc.

4. User's consent

Using ForexTeam mobile application means a complete and unconditional agreement with our privacy policy.
